SEND US YOUR FILM

You shoot. We take care of the rest.

EN

01 — FILL OUT YOUR ORDER FORM

Download our Order Form, print it and fill in your details.

Tell us how many rolls you're sending, your processing and scan preferences, and anything else you'd like us to know.

Don't forget to put the form inside the package with your film.

02 — KEEP YOUR FILM SAFE

Your rolls are small. Your memories aren't.

Place your film inside a sealed zip bag to keep it protected from moisture.

Then pack everything inside a padded envelope or small box and seal it properly.

Sending a bunch of rolls? We recommend using a small box.

03 — SEND IT OUR WAY

Ship your film to:

SHOOTERS FILM LAB
C/ d'Aragó, 418
08013 Barcelona
Spain

We always recommend using a tracked shipping service.

Keep your tracking number until we confirm that your film has arrived.

04 — FILM IN THE HOUSE

As soon as your package arrives, we'll check your rolls and order form.

You'll receive an email letting you know that your film is officially in good hands, together with a link to complete your payment.

From here, we've got it.

05 — THE GOOD PART

We develop. We scan. We take care of every frame.

Once everything is ready, your photographs will land directly in your inbox.

Now there's only one thing left to do:

Sit back and wait for the magic.
